

Loving Support Breastfeeding Peer Counselor Training

An interactive workshop series designed for the new Peer Counselor. This 20-hour training course provides an orientation and identifies the primary roles and responsibilities of the peer counselor. The training will provide two one-day on-site class sessions as well as 3-4 conference calls. Self study modules and homework will be assigned. Participants will be expected to complete homework assignments and tests.

Who Should Attend: Any Peer Counselor that has not previously attended a 20-hour course is encouraged to participate.
